Low-Water Native Plants for
Colorado Gardens - A Colorado
Front Range Gust Map was
prepared in 2006 by Peterka
(2006) for use with ASCE 7-02
and ASCE 7-05. That map
contained 50-year recurrence

contours and was endorsed by the
Structural Engineers Association
of Colorado (SEAC). Many Front
Range communities have used
that map to guide code wind
speed definition. Fri, 20 Apr 2018

Trees for Colo Front Range
Communities - Millions of years
ago, the present-day Front Range
was home to ancient mountain
ranges, deserts, beaches, and even
oceans. The name "Front Range"
is also applied to the Front Range
Urban Corridor, the populated
region of Colorado and Wyoming
just east of the mountain range
and extending from Cheyenne,
Wyoming south to Pueblo,
Colorado. Tue, 10 Apr 2018
